CATALOG OF COURSES & ACTIVITIES

We're excited to welcome you to the **Summer 2026** semester at OLLI at FSU. Your participation—in classes, activities, clubs, and travel—continues to be the heart of OLLI. This year, we were thrilled by the tremendous success of our Inaugural Distinguished Professor Lecture Series, and we are already in the midst of planning another exciting series for 2027.

In the meantime, our 35th anniversary year is filled with new and engaging opportunities to keep learning, spark curiosity, and stretch our intellects in fresh ways. We invite you to join us—be engaged, stay involved, volunteer, try something new, and explore the world with OLLI. Invite your friends, neighbors, and fellow learners—because the more people you bring along, the richer the experience becomes.

As always, the online catalog at olli.fsu.edu is your best resource for current information on courses, activities, clubs, and travel opportunities. Classes continue in the **Panama City area** for participation in OLLI close to home while online opportunities offer additional ways to continue with others virtually.

We look forward to seeing you this summer — together, let's keep making this milestone year one to remember!
