So make life happen, enjoy, learn, laugh and be active. What do you have to lose?! I hope to see you soon – somewhere!

Debra
Well, our Fall Semester has come and gone and I for one have been scratching my head as to where in heaven’s name did the time go. In September I was anxiously waiting for classes to begin. Then I blinked my eyes and my last class was over. I hope each and every one of you had a wonderful time with family and friends during the Holidays.

The Spring semester will be soon upon us and I am sure our OLLI staff and all our wonderful volunteers will be hard at work planning and executing another well-choreographed and interesting lineup of classes and activities.

The Showcase will be held on January 30 and is a wonderful opportunity to reconnect with OLLI friends, listen to instructors describe their courses, and peruse the displays of the clubs and activities OLLI will be offering. You will also have an opportunity to meet the Director, the Program Coordinator, members of the Executive Board and Advisory Council.

As you probably know, our organization could not function without volunteers -- people who selflessly offer their time and energy as chairpersons for our clubs and activities, for our Advisory Council and Executive Board and many other positions. Please help our OLLI organization by volunteering some of your valuable time as well.

Jack Mapstone
OLLI President, Tallahassee

Thank you to all in the OLLI at FSU, PC30A community for giving me the opportunity to be your Advisory Council President. It’s an honor to serve in this capacity alongside the great volunteers who have kept this program successful in our community. I am so happy you all have a vision for education for adults in our community. I am also grateful for all of the original members and new members who enjoy learning.

I’m especially thankful to Steve Howard, the past President, who was also the first President for OLLI at FSU, PC30A since 2019. I was with Steve at the inception of this program. Steve bravely accepted this position and has led the way for a growing, up-and-coming program.

This position is in my heart because I have always said that my life goal is to provide an educational experience for various ages, especially for seasoned adults. There is always so much to learn, and OLLI is a great way to provide classes that bring people together while learning something new.

Let’s all come together to make a difference in our community by being a part of an active learning experience with exciting educational opportunities through OLLI!!

Lettye Burgtort

Parking by Class Location

FSU Campus
If you are taking a class on Wednesdays or Thursdays on the FSU campus in The Claude Pepper Center or Kellogg Research Building, we encourage the purchase of a parking pass for $25 (supplemented by OLLI) that will allow you to park in the FSU garage located on the corner of Macomb and Call St. To purchase, sign into your account and, just like you are adding a membership or class, find the category “FSU Campus Parking” listed under “OLLI Extras.” After you purchase your pass, you will receive an email confirmation that must be printed out and placed on your dashboard on the driver’s side. Upon arrival, enter through the Macomb St. or Call St. entrance and look for the garage attendants, who will direct you where to park. The pass also permits free valet service in front of the Pepper Center. Valet is not available for Thursday evening classes. Walking directions from the garage to the Pepper Center: From the Call St. level, walk west past the Fine Arts Building, cross Copeland St., and you’ll find The Claude Pepper Center in that block on the right. Total travel to the Pepper Center is two blocks.

How to use the valet service: The parking pass you purchase also serves as your valet pass. Pull inside the circle drive at the Pepper Center on Call St. and leave your car and keys with the attendant, who will give you a ticket to redeem your car. (You MUST have your pass visible on the dashboard to use the garage and valet service!) Please do not block the street or block traffic. Valet attendants will be available 30 minutes before each class.

The Pepper Center is also easily accessible via the City of Tallahassee’s Star Metro bus system (www.talgov.com/starmetro/starmetroHome.aspx).

Germany After WW II Series (Zoom)
3 sessions with Anette Isaacs, German Historian and Public Educator
Tuesdays, 2/21, 2/28, 3/7 | 2:30 - 4:30 p.m. ET | $35
Session 1: The Land of the Perpetrators: The Question of German Guilt. It has been 90 years since Adolf Hitler rose to power and lured millions of willing Germans on to a path of violence and destruction that led to the ultimate break with civilization. Even today, 78 years after the end of World War II, generations of Germans are still grappling with their country’s—and, in many cases, their own family’s—horrible legacy. Join us for a fascinating discussion of how the German nation has, over the last almost eight decades, attempted to cope with the guilt of causing the Holocaust.

Session 2: Eichmann Before Jerusalem—Insights into the Mind of a Mass Murderer: The 60th anniversary of Adolf Eichmann’s execution in Israel last summer presents an important opportunity for us to take a closer look at the “architect of the Holocaust.” Did he really just represent the “banality of evil” as author Hannah Arendt so famously expressed it? Or was he indeed a fanatical and utterly brutal Nazi, as recent historical research suggests? Join us for a compelling discussion of the decade Eichmann spent in Buenos Aires, which will reveal crucial insights into the mind of one of the world’s most callous mass murderers. Session 3: Hunting Eichmann-- the Heroic Story of Nazi Hunter Fritz Bauer: It has become common knowledge that Adolf Eichmann was captured by Mossad agents in Argentina and brought to justice in Israel 60 years ago. But hardly anyone is familiar with the fact that it was a German Jew, the Hessian attorney general Fritz Bauer, who provided pivotal information about Eichmann’s whereabouts in South America to the Israeli authorities. Join us as we pay homage to Bauer, this true hero who confronted post-war German society with its guilt—and denial thereof—and who almost single-handedly initiated the Auschwitz Trials of the mid 1960s. Class size limit: 90.

Clubs are important benefits that provide an opportunity to join with other OLLI members who share similar interests. These groups are free to current members. For more information about any of our clubs, including manner of meeting (in-person or virtual), contact the club coordinator.

Each semester, including this Spring session, members must follow the process shown below to register for all clubs (excluding Wednesdays with OLLI).

**Step 1:** Register online for each club you desire as you would for a class.

**Step 2:** Then email each club coordinator and request to be added to their email distribution list to receive pertinent information. *This must be done each semester.*

**Club Español**

The OLLI Spanish Club meets every Friday, 10:00 to 11:00 a.m. ET, by Zoom for conversation practice. Whether you have enrolled in an OLLI Spanish class or just want the opportunity to practice your conversation skills, all OLLI members are welcome to join us. We plan to enjoy lunch together at a Spanish-style restaurant one Friday a month. To be added to the club’s email list and to receive the Zoom link, register for the Spanish Club online and then contact Laura Morris, startrek1330@gmail.com.

**Men’s Group**

We meet every two weeks on Fridays from 11:30 a.m. - 1:00 p.m. ET at a local restaurant, unless pandemic conditions indicate otherwise, in which case we meet via Zoom. We discuss issues and challenges faced by older men, share knowledge and expertise on a range of topics and socialize in an informal environment. Group meetings are self-directed. Responsibility for facilitating discussions is generally rotated among the participating members. For more information, contact Frank Alarcon, alarconfj@yahoo.com.
**Walking Club**

Come and join us on the many fabulous trails Tallahassee has to offer. Several times every week we meet at specified locations to walk with OLLI friends. The “Gentle Walkers” walk about an hour on mostly paved or hard pack surfaces at a steady, but leisurely pace. The “Intermediate Walkers” walk between 3 to 5 miles in 1-1 ½ hours on more wooded trails that may have roots, grass or gravel but are usually shady. About once a month both groups will walk trails in the same park so afterwards we can gather together at a picnic table to enjoy refreshments and some social time. To add your email to our contact list and receive our weekly walking schedule, contact Debbie Justice at DrDJO@yahoo.com, and register online for the Walking Club at the OLLI website.

**Wednesdays with OLLI**

**Wednesdays 5:00 p.m. ET**

OLLI members and friends gather weekly over drinks and dinner at various restaurants in town. It’s the perfect time to get to know each other and learn more about OLLI. Add your name to the OLLI email list by contacting Denise or Renae at gethappyolli@gmail.com. You'll receive a weekly email with the meeting location. Online registration is not required. **Non-members are welcome to attend!** Join us Wednesdays at 5:00 pm ET.

**Travel Club**

The OLLI Travel Club gives you the opportunity to enjoy the best our world has to offer at very reasonable prices. You travel with friends and enjoy well-planned trips. The Travel Club meets to share information about upcoming trips and host presentations for those interested in OLLI travel.

Information about our meetings will be sent to those on the Travel Club email list. Travel information can also be found on the OLLI at FSU website. You do not need to be a member of OLLI to join the Travel Club; however, you would need to join OLLI should you choose to travel with us. To be added to the Travel Club email list, or to continue receiving emails, contact Harriet and George Waas at waas01@comcast.net.

**Travel with OLLI and See the World!**

The OLLI Travel Club looks forward to continuing our travels around the world. We know that traveling with OLLI friends provides a much richer experience than journeying alone.

Our 2023 trips begin with a small-ship excursion to Croatia from June 10-21. That is followed by a tour of Scotland in August.

Brochures for both trips are available at the bottom of the OLLI front page, olli.fsu.edu. In addition, Collette Travel representative Jack Brinson will appear at a Travel Club meeting for each of these trips to provide details and answer questions.

Join the Travel Club to learn all about these wonderful OLLI trips. Learn more, share more and enjoy more of the world when you travel with OLLI!
Our OLLI volunteers are amazing, and we can’t thank them enough for their efforts in expanding our OLLI program. The Curriculum Committee, chaired by volunteers, researches course opportunities, recruits instructors and selects course proposals. If you have an idea for an interesting class, please be that volunteer who brings your idea to the Curriculum Committee. Contact Curriculum Co-chair Carroll Bewley, carroll.bewley@gmail.com, or Co-chair Fran Conaway, franconaway32312@gmail.com.

Activities, clubs and field trips are provided by creative volunteers who have an area of interest and are willing to sponsor and manage these events. If you have a special interest, please let us know, and we will help you share it with other OLLI members! Contact OLLI 1st VP Bruce Bechard, brucebechard@yahoo.com.

The OLLI catalog and other OLLI information and promotion materials are designed, written and edited by volunteers along with the staff. Volunteers also consult on and execute public relations efforts in coordination with the director to promote membership and participation in OLLI. Have skills in this area? Let us know. Contact Communications and Marketing Committee Chair Fran Conaway, franconaway32312@gmail.com.

Volunteers also are responsible for philanthropic and fundraising campaigns. Look for information about ways YOU can help make OLLI even better in the near future! In addition, volunteers manage course and annual surveys, and derive data to support planning and operations. Members of the Advisory Council work throughout the year to plan for the future of OLLI. Class hosts assist our instructors to make classes run smoothly.

All these volunteer efforts provide an amazing OLLI experience for you. And if you have any suggestions or ideas on expanding volunteer opportunities, or if you wish to volunteer for OLLI, please contact Harriet Waas at waas01@comcast.net.

**Call for Class Hosts**

If you’ve taken classes in-person in past semesters, you’re aware that one of the important ways OLLI welcomes new and returning OLLI members is by having a host for each in-person class. They greet students, make sure attendance lists are maintained, support instructors as needed, make announcements and serve as a conduit for messages from students to OLLI administration and leadership. Being a class host gives you the opportunity to get to know your classmates and provide an important service to them. Class host training will be Thursday, February 16, 10:30 - 11:30 a.m. at PeoplesSouth Bank, 2920 Kerry Forest Parkway. Ample parking is available. If you are interested or would like more information, contact Jan Smith, jansmith1642@gmail.com.

*Class hosts are needed for all in-person classes.*

---

Activities and clubs are an important part of the OLLI experience and are managed by creative and hardworking OLLI volunteers! Members seen on the left participated in a tour of Marvelosity: The Art of Alex Ross at the Gadsden Arts Center & Museum in Havana, FL. On the right, members learned the process of making chocolate during a recent tour at Peterbrooke Chocolatier — an activity chaired by OLLI member and member representative Marie Clewis.

Volunteering for OLLI is engaging and rewarding! For activity and club information see pages 20 and 22.
On Wednesday, March 8, OLLI members can participate to support full-time outstanding FSU students by giving to the OLLI Scholarship Program. The dean or faculty member will invite students to submit applications from the College of Social Sciences and Public Policy; College of Criminology and Criminal Justice; the College of Arts and Sciences: Anthropology; FSU PC-30A; and active FSU student veterans. The OLLI Advisory Committee will select one student from each of the five areas, with a focus on addressing the joys and challenges of aging. To discuss making a lasting contribution, contact the Chairperson, Cindy Foster, ollischolarships@gmail.com.

OLLI Scholarships to FSU Students

OLLI at FSU depends on the generosity of our members. AND the best news is that small donations add up to very large sums. Our small donors have, in the past, exceeded our goals and given OLLI the ability to expand course offerings, including courses by instructors who live across the country and around the world; present lecture series and other activities; maintain affordable membership fees and tuition rates; fund scholarships for OLLI students; increase the stipends for our professional instructors; and spread the word about OLLI and all it has to offer. Your contributions are truly an ongoing gift and allow OLLI to offer an even better program for our members! Thank you for your continued support! Members of OLLI at FSU are recognized for all types of gifts. For benefits, see olli.fsu.edu/support-olli-fsu.

OLLI Partners

Connecting with local businesses and organizations helps expand programming, grow public image, and build standing in the community. Sponsorships also assist in offsetting expenses, like rental fees, and contribute to our sustainability. Thank You!
